

Lifting & Hoisting

Road Plate Lifter

Road Plate Lifter

Lift and position road plates safely and securely with our NEW Road Plate Lifter. Robust and easy to use, this road plate system consists of a receiver plate plus lifting tool, and is the only one on the market that is ready to use from the box with an individual serial number on each unit (not just a batch number) eliminating the need for individual tagging.

Capacity:
5.0t

Applications:
Civil, Construction, Engineering, Hire, Infrastructure, Ports.

Complies with:
AS4991

Product Features

- Individual test certification.
- Manufactured and certified to AS4991.
- Rated to a minimum safety factor of 5:1.
- Individual serial number on each unit - not batch number.
